

Grace Unthinkable

Words and Music by **Benji Carey-Smith**

Verse 1

Come to the Healer you weary and weak
Cleanse all your guilt through belief
Hold fast your faith in the mercy of God
And in His power to save

Verse 2

None of our works can commend us to God
Nothing in us we can boast
But we will glory in Christ ever more
Laying our crowns at His feet

Chorus

Hallelujah! Christ has conquered sin
When He died and rose to life
Hallelujah! To You God be praise
For Your grace has been revealed
Grace unthinkable and final
Grace unthinkable and final

Verse 3

Through our Redeemer salvation was made
Now by His wounds we are healed
Messiah was punished to purchase our peace
His righteousness we gain

Verse 4

Now it is finished; the ransom is paid
Once and for all Jesus died
Hope to the nations, Revealer of love
The Way and the Truth and Life
