

O Sovereign Lord

Words and Music by **Benji Carey-Smith**

Verse 1

O sovereign Lord, we turn our hearts to You
Our prayer and cry rise to Your throne
For You are the faithful and unchanging One
Through ages You stand, a fortress unending and strong

Refrain

Lord, our God, turn and hear
And in this day, glorify Your Name

Verse 2

O sovereign Lord, we've seen Your hand at work
A people saved from every place
The power of the gospel unites and prevails
Your children of grace, adopted as daughters and sons

Refrain

Lord, our God, turn and hear
And in this day, glorify Your Name

Verse 3

O sovereign Lord, empower Your precious church
And make her bold to speak forth Your Word
Lord even in this should suffering we face
Please let us endure, for Christ and His glory and Name

Refrain

Lord, our God, turn and hear
And in this day, glorify Your Name

Glorify Your Name
