

Our Song

Words and Music by Benji Carey-Smith

Verse 1

God You are good
And You are kind
You are so faithful to Your child
God You have come
Down to this world
Made Yourself known in Jesus Christ

Chorus

And we will praise You evermore
In You alone we will delight
You are our portion and our song
God You are our song

Verse 2

Lord of the earth
None can compare
You are the Sovereign over all
Lord of our faith
Kept by Your power
Held in the Father's hands of love

Chorus

Verse 3

God our delight
First in our hearts
Source of eternal life and light
Come let us sing
Shout and rejoice
Bow and acknowledge He is God

Chorus

And we will praise You evermore
In You alone will we delight
You are our portion and our song
God You are our song
God You are our song
God You are our song
