

So Be Transformed

(Romans 12:1-2)

Words and Music by Benji Carey-Smith

Verse 1

So be transformed
Renew your minds
Don't be conformed to the pattern of this world
So be transformed
By Scripture's words
To honour God for the mercy that He's shown

Chorus

We offer up our lives
A living sacrifice
An act of worship pleasing to the Lord

Verse 2

So be transformed
That you may know
The will of God; what's acceptable and good
So be transformed
By grace divine
We have been brought into fellowship with Christ

Chorus

We offer up our lives
A living sacrifice
An act of worship pleasing to the Lord

(repeat)

Bridge

(instrumental)

Christ, our Saviour Lord
You came to save the lost
You died upon the cross
And then You rose up
Now in heaven reigning
Soon our King returning
Jesus, blessed Hope and our Redeemer

Chorus

We offer up our lives
A living sacrifice
An act of worship pleasing to the Lord
