

# Mighty Father

Words and Music by Benji Carey-Smith

## *Verse 1*

Our Holy Father, in heaven above  
Different and other than anything else  
Righteous and just You remain in Your ways  
Yet mercy and kindness You show

## *Pre-Chorus*

We adore You and thank You  
We adore You and thank You

## *Chorus*

Mighty Father, how glorious You are!  
One who created, eternal God of all  
You reign over every nation in sovereign majesty  
Mighty Father, show Your power for all the world to see

## *Verse 2*

Father of grace, we're adopted as Yours  
How great the love You have lavished on us  
We don't deserve Your forgiveness and peace  
But through Jesus You've made us Your own!

## *Pre-Chorus*

We adore You and thank You  
We adore You and thank You

## *Chorus*

Mighty Father, how glorious You are!  
One who created, eternal God of all  
You reign over every nation in sovereign majesty  
Mighty Father, show Your power for all the world to see
